

SENECA NIAGARA RESORT & CASINO PRESENTS

Niagara USA's 31st Annual Lake Ontario Pro-Am Team Tournaments

May 30-31 and June 6-7, 2015

Last year, in the milestone events combining two weekends into one major contest, more than \$105,000 in cash and \$10,000 in merchandise was handed out to winning teams- which included an extra \$45,000 in cup money for teams participating in both weekends. Based on 10 points

per fish and a point per pound, teams compete in two separate tournaments for two different divisions – the Trophy (best 5) and Classic (best 12). Using a unique scoring system for the Western Lake Ontario Challenge Cup, the big cash prizes are the culmination of hard work and angling skill.
